Awards:

Each class will have one award for "Spectator's Choice (class name)" voted on by the spectators. Each class will also have an award for "Showman's Choice (class name)" voted on by the participants of the show only. The votes will be tabulated by Joe Basil's GM Superstore staff in a secret ballot and the results will be announced at the end of the show around 4pm.

Burnout Pit:

The burnout contest will start at 1pm and will last a maximum of 2 hours. Any vehicle entered into the burnout contest will go through a short technical inspection to make sure it is in good working order prior to the contest start. It must be free of loose parts and all fluids leaks. The decision to allow or not allow a vehicle to enter the contest will be decided by Joe Basil GM Superstore staff the day of the show following the technical inspection and anytime during the show. Pre-enrollments will be accepted contingent on the technical inspection the day of the show. The order of the vehicles will be on a first come first serve basis.

The winner of the contest will be decided on by votes from spectators as well as show participants and will be announced during the award ceremony at the end of the show around 4pm. The winner will receive 2 free tires valued up to \$250 each or \$500 total. The winner will be responsible for any taxes and fees associated with the prize, if any.

Fastest Tire Changer:

The Fastest Tire Changer Contest will begin at 2:30pm and will end no later than 3:45pm. The contest will consist of the contestant or contestants (2 maximum) exchanging 4 tires off a vehicle sitting on the ground in "drive-able" condition with 4 tires stacked up next to the vehicle. Any loose lug nuts will result in a 10 second penalty. The contestant or contestants will be provided with a floor jack and all tools necessary to complete the task. The winner(s) will be decided by the fastest time.

The winner or winners will receive \$400 in MAC Tools to be split up among the contestants. The winner(s) will be responsible for all taxes and fees associated with the prize, if any.

How long before the motor blows?:

This contest will be simple, for \$2 per ticket you can guess how long the motor will last without any oil in it. The winner will be decided by the closest time, without going over, and will split the prize money with the fire department 50/50.
